10 May 1953

TO : Chief, Inspection and Security Division
FROM : Chief, Foreign Affairs
SUBJECT : Sergei Leonovich Shadrin
RE : Memorandum, subject: Preferential Entry into the United States of Sergei Leonovich Shadrin, 8 April 1953

1. Reference is made to subject's entry into this country under Section 103 of the Immigration and Nationality Act.
2. It has been determined by higher authority and this division that operational considerations render it essential for the subject to be brought out of Austria and into the United States in the most expeditious manner possible.
3. While it is recognized that the entry and legalization of the subject in the United States under Section 1 of Public Law 110, is highly desirable, the normal time delay of several weeks even after the individual concerned receives his secret security clearance precludes its use at this time.
4. It is therefore requested that immediate action be undertaken to bring the subject, his wife, and his daughter into this country under "Special Procedures" and reference memorandum be disregarded.
5. The legalization of the subject's residence in the United States under Public Law 110 will be completed after his arrival.
6. The subject has already received the following clearances:
Operational Clearance No. 1024, 10 November 1951
Provisional Operational Clearance No. 1028, 30 July 1951
Provisional Operational Clearance No. 1025, 15 January 1952
7. The results of the subject's medical examination will be received by cable and forwarded to you at once.
